

Auditory Vortex

Thor - Volume I

UNIPHONIC.COM

We're proud to announce the release of a new refill: [Auditory Vortex - Thor Volume 1](#) . What better way to ring in the new year, than a new refill?

This killer Refill has over 430 Thor patches and over 170 Combinator patches featuring the Thor synth. 100% of the sounds in the [demo song](#) are generated with the Thor synth. Yes, drums, string sounds, guitars, and all!

Auditory Vortex Refill focuses on highly playable and musical sounds. From traditional instrument sounds with a twist, to giant un-earthly circuits calling from another realm, you'll find many fresh sounds here to enhance just about any style of music.

For more demos and information, please visit [Auditory Vortex - Thor Volume 1](#) product page in the [Acceler](#)
